PLEASE READ THE ENTIRETY OF THIS "LEGAL DISCLAIMER" SECTION CAREFULLY. NOTHING HEREIN CONSTITUTES LEGAL, FINANCIAL, BUSINESS OR TAX ADVICE AND YOU ARE STRONGLY ADVISED TO CONSULT YOUR OWN LEGAL, FINANCIAL, TAX OR OTHER PROFESSIONAL ADVISOR(S) BEFORE ENGAGING IN ANY ACTIVITY IN CONNECTION HEREWITH. NEITHER ELEKTRIK HOLDINGS LTD. (THE **COMPANY**), ANY OF THE PROJECT CONTRIBUTORS (THE **ELEKTRIK TEAM**) WHO HAVE WORKED ON ELEKTRIK (AS DEFINED HEREIN) OR PROJECT TO DEVELOP ELEKTRIK IN ANY WAY WHATSOEVER, ANY DISTRIBUTOR AND/OR VENDOR OF \$ELTK TOKENS (OR SUCH OTHER RE-NAMED OR SUCCESSOR TICKER CODE OR NAME OF SUCH TOKENS) (THE **DISTRIBUTOR**), NOR ANY SERVICE PROVIDER SHALL BE LIABLE FOR ANY KIND OF DIRECT OR INDIRECT DAMAGE OR LOSS WHATSOEVER WHICH YOU MAY SUFFER IN CONNECTION WITH ACCESSING THE PAPER, DECK OR MATERIAL RELATING TO \$ELTK (THE **TOKEN DOCUMENTATION**) AVAILABLE ON THE WEBSITE AT [HTTPS://ELEKTRIK.NETWORK/](https://elektrik.network/) (THE **WEBSITE**, INCLUDING ANY SUB-DOMAINS THEREON) OR ANY OTHER WEBSITES OR MATERIALS PUBLISHED OR COMMUNICATED BY THE COMPANY OR ITS REPRESENTATIVES FROM TIME TO TIME.

Project purpose: You agree that you are acquiring \$ELTK to participate in Elektrik and to obtain services on the ecosystem thereon. The Company, the Distributor and their respective affiliates would develop and contribute to the underlying source code for Elektrik. The Company is acting solely as an arms' length third party in relation to the \$ELTK distribution, and not in the capacity as a financial advisor or fiduciary of any person with regard to the distribution of \$ELTK.

Nature of the Token Documentation: The Token Documentation is a conceptual paper that articulates some of the main design principles and ideas for the creation of a digital token to be known as \$ELTK. The Token Documentation and the Website are intended for general informational purposes only and do not constitute a prospectus, an offer document, an offer of securities, a solicitation for investment, any offer to sell any product, item, or asset (whether digital or otherwise), or any offer to engage in business with any external individual or entity provided in said documentation. The information herein may not be exhaustive and does not imply any element of, or solicit in any way, a legally-binding or contractual relationship. There is no assurance as to the accuracy or completeness of such information and no representation, warranty or undertaking is or purported to be provided as to the accuracy or completeness of such information. Where the Token Documentation or the Website includes information that has been obtained from third party sources, the Company, the Distributor, their respective affiliates and/or the Elektrik team have not independently verified the accuracy or completeness of such information. Further, you acknowledge that the project development roadmap, platform/network functionality are subject to change and that the Token Documentation or the Website may become outdated as a result; and neither the Company nor the Distributor is under any obligation to update or correct this document in connection therewith.

Validity of Token Documentation and Website: Nothing in the Token Documentation or the Website constitutes any offer by the Company, the Distributor, or the Elektrik team to sell any \$ELTK (as defined herein) nor shall it or any part of it nor the fact of its presentation form the basis of, or be relied upon in connection with, any contract or investment decision. Nothing contained in the Token Documentation or the Website is or may be relied upon as a promise, representation or undertaking as to the future performance of Elektrik. The agreement between the Distributor (or any third party) and you, in relation to any distribution or transfer of \$ELTK, is to be governed only by the separate terms and conditions of such agreement.

The information set out in the Token Documentation and the Website is for community discussion only and is not legally binding. No person is bound to enter into any contract or binding legal commitment in relation to the acquisition of \$ELTK, and no digital asset or other form of payment is to be accepted on the basis of the Token Documentation or the Website. The agreement for distribution of \$ELTK and/or continued holding of \$ELTK shall be governed by a separate set of Terms and Conditions or Token Distribution Agreement (as the case may be) setting out the terms of such distribution and/or continued holding of \$ELTK (the Terms and Conditions), which shall be separately provided to you or made available on the Website. The Terms and Conditions must be read together with the Token Documentation. In the event of any inconsistencies between the Terms and Conditions and the Token Documentation or the Website, the Terms and Conditions shall prevail.

Deemed Representations and Warranties: By accessing the Token Documentation or the Website (or any part thereof), you shall be deemed to represent and warrant to the Company, the Distributor, their respective affiliates, and the Elektrik team as follows:

- (a) in any decision to acquire any \$ELTK, you have not relied and shall not rely on any statement set out in the Token Documentation or the Website;
- (b) you shall at your own expense ensure compliance with all laws, regulatory requirements and restrictions applicable to you (as the case may be);
- (c) you acknowledge, understand and agree that \$ELTK may have no value, there is no guarantee or representation of value

or liquidity for \$ELTK, and \$ELTK is not an investment product nor is it intended for any speculative investment whatsoever;

- (d) none of the Company, the Distributor, their respective affiliates, and/or the Elektrik team shall be responsible for or liable for the value of \$ELTK, the transferability and/or liquidity of \$ELTK and/or the availability of any market for \$ELTK through third parties or otherwise; and
- (e) you acknowledge, understand and agree that you are not eligible to participate in the distribution of \$ELTK if you are a citizen, national, resident (tax or otherwise), domiciliary and/or green card or permanent visa holder of a geographic area or country (i) where it is likely that the distribution of \$ELTK would be construed as the sale of a security (howsoever named), financial service or investment product and/or (ii) where participation in token distributions is prohibited by applicable law, decree, regulation, treaty, or administrative act (including without limitation the United States of America, Canada, and the People's Republic of China); and to this effect you agree to provide all such identity verification document when requested in order for the relevant checks to be carried out.

The Company, the Distributor and the Elektrik team do not and do not purport to make, and hereby disclaims, all representations, warranties or undertakings to any entity or person (including without limitation warranties as to the accuracy, completeness, timeliness, or reliability of the contents of the Token Documentation or the Website, or any other materials published by the Company or the Distributor). To the maximum extent permitted by law, the Company, the Distributor, their respective affiliates and service providers shall not be liable for any indirect, special, incidental, consequential or other losses of any kind, in tort, contract or otherwise (including, without limitation, any liability arising from default or negligence on the part of any of them, or any loss of revenue, income or profits, and loss of use or data) arising from the use of the Token Documentation or the Website, or any other materials published, or its contents (including without limitation any errors or omissions) or otherwise arising in connection with the same. Prospective acquirors of \$ELTK should carefully consider and evaluate all risks and uncertainties (including financial and legal risks and uncertainties) associated with the distribution of \$ELTK, the Company, the Distributor and the Elektrik team.

\$ELTK Token: The native cryptographically-secure fungible protocol token of Elektrik (ticker symbol \$ELTK) is a transferable representation of attributed utility functions specified in the protocol/code of Elektrik, and which is designed to be used solely as an interoperable utility token thereon.

\$ELTK is a functional multi-utility token which will be used as the native governance token and economic incentive which will be distributed to encourage users to exert efforts towards contribution and participation in the ecosystem on Elektrik, thereby creating a mutually beneficial system where every participant is fairly compensated for its efforts. \$ELTK is an integral and indispensable part of Elektrik, because without \$ELTK, there would be no incentive for users to expend resources to participate in activities or provide services for the benefit of the ecosystem. Given that additional \$ELTK will be awarded to a user based only on its actual usage, activity and efforts made on Elektrik and/or proportionate to the frequency and volume of transactions, users of Elektrik and/or holders of \$ELTK which did not actively participate will not receive any \$ELTK incentives.

\$ELTK are designed to be utilised, and that is the goal of the \$ELTK distribution. In particular, it is highlighted that \$ELTK:

- (a) does not have any tangible or physical manifestation, and does not have any intrinsic value/pricing (nor does any person make any representation or give any commitment as to its value);
- (b) is non-refundable, not redeemable for any assets of any entity or organisation, and cannot be exchanged for cash (or its equivalent value in any other digital asset) or any payment obligation by the Company, the Distributor or any of their respective affiliates;
- (c) does not represent or confer on the token holder any right of any form with respect to the Company, the Distributor (or any of their respective affiliates), or their revenues or assets, including without limitation any right to receive future dividends, revenue, shares, ownership right or stake, share or security, any voting, distribution, redemption, liquidation, proprietary (including all forms of intellectual property or licence rights), right to receive accounts, financial statements or other financial data, the right to requisition or participate in shareholder meetings, the right to nominate a director, or other financial or legal rights or equivalent rights, or intellectual property rights or any other form of participation in or relating to Elektrik, the Company, the Distributor and/or their service providers;
- (d) is not intended to represent any rights under a contract for differences or under any other contract the purpose or intended purpose of which is to secure a profit or avoid a loss;
- (e) is not intended to be a representation of money (including electronic money), payment instrument, security, commodity, bond, debt instrument, unit in a collective investment or managed investment scheme or any other kind of financial instrument or investment;
- (f) is not a loan to the Company, the Distributor or any of their respective affiliates, is not intended to represent a debt owed by the Company, the Distributor or any of their respective affiliates, and there is no expectation of profit nor interest payment; and
- (g) does not provide the token holder with any ownership or other interest in the Company, the Distributor or any of their

respective affiliates.

Notwithstanding the \$ELTK distribution, users have no economic or legal right over or beneficial interest in the assets of the Company, the Distributor, or any of their affiliates after the token distribution.

For the avoidance of doubt, neither the Company nor the Distributor deals in, or is in the business of buying or selling any virtual asset or digital payment token (including \$ELTK). Any sale or distribution of tokens would be performed during a restricted initial period solely for the purpose of obtaining project development funds, raising market/brand awareness, as well as community building and social engagement; this is not conducted with any element of repetitiveness or regularity which would constitute a business.

To the extent a secondary market or exchange for trading \$ELTK does develop, it would be run and operated wholly independently of the Company, the Distributor, the distribution of \$ELTK and Elektrik. Neither the Company nor the Distributor will create such secondary markets nor will either entity act as an exchange for \$ELTK.

In particular, the project roadmap in the Token Documentation is being shared in order to outline some of the plans of the Elektrik team, and is provided solely for **INFORMATIONAL PURPOSES** and does not constitute any binding commitment. Please do not rely on this information in deciding whether to participate in the token distribution because ultimately, the development, release, and timing of any products, features or functionality remains at the sole discretion of the Company, the Distributor or their respective affiliates, and is subject to change. Further, the Token Documentation or the Website may be amended or replaced from time to time. There are no obligations to update the Token Documentation or the Website, or to provide recipients with access to any information beyond what is provided herein.
